

Toyo Ito

Sendai Bookcase

2004

FINISHES

Upright Finish - Wood

Alder & Walnut

Shelf Finish - Aluminum

Polished Aluminum

MATERIALS

- Metal
- Wood

Movement and flexibility summarize the emotional power of Toyo Ito, who in this sculpture-bookcase captures the design essence of Sendai's media centre (Japan), which he designed and used as inspiration. This leap in scale consists of six aluminum veneered shelves connected through turned elements of solid wood.

Turned uprights in solid alder wood & walnut treated with oil. MDF shelves veneered with polished aluminum.
