

Karim Rashid

Tide Buffet Sideboard

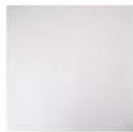

●● 2006

FINISHES

Structure Finish - Matte & Glossy Lacquered

Drawer Side Finish - Aluminum

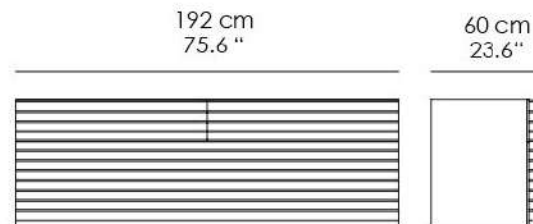

MATERIALS

- Laquered
- Metal

Tide Buffet reflects the style of its designer, Karim Rashid, who worked on movement and dynamism in this project. The horizontal development of the front, made of thin MDF sheets equidistant from each other, gives the whole a soft and sculptural look.

Structure, flap door and drawer fronts made from lacquered particleboard or MDF. Ripple-effect on door and drawer fronts made from lacquered MDF.

Internal Dimensions:
