FINISHES

Bookcase Leg Finish - Wood

Walnut

Natural Oak

Top & Leg Finish - Lacquered

White
lacquered

MATERIALS

- Wood
- Lacquered

J-Table features a leg playing with asymmetric orthogonal lines that can be used as a bookcase. Full of personality despite its formal rigour, this table can be included in multiple space configurations, including those of home or working environments.

The table top is in whitelaminat veneered honeycomb. The white leg is in laminate veneered MDF. The bookcase leg is in multilayer beech veneered in walnut or oak.
