- Available in RAL Colors

MATERIALS

- Fabric
- Leather
- Stiches
- Metal

Lepel is a system of padded seats, entirely covered in fabric or leather. The craftsmanship and the ability to customize the finishes - from the fabrics used to the visible stitching - makes this seat unique in its kind.

Chair made of cold foamed polyurethane with internal metal core. Fabric, faux leather or leather cover.

The stitching can be in the same colour as the cover or in contrasting colours.
