Ma.Re Rectangular Dining Table

2015

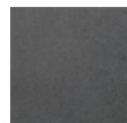

FINISHES

Top Finish - Wood

Mocha Ash

Extension Finish - Ceramic

Grey Ceramic

Leg Finish - Metal

Black Painted Metal

MATERIALS

- Wood
- Ceramic
- Metal

Ma.Re is an extensible table. The almost invisible runners and the contrast of tactile sensations between the materials (wood and ceramic) make this table more fascinating when open, rather than closed. This is a unique gift for an extensible table.

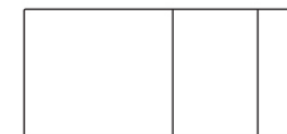

Top in wood particle board veneered with mocha stained ash. Extension in wood particle board coupled with a grey ceramic surface that is scratch-resistant.
