Extra Clear Glass

MATERIALS

- Metal
- Wood
- Glass

When design becomes a work of art. This bookcase with an intense and unique shape, contains all the distinctive elements of the Quadror collection of tables and coffee tables. The upward progression of the ash shelves is dynamically accompanied by increasingly lighter metal elements.

Extraclear tempered glass shelves 19mm thick or plywood and solid ash veneered with ash. Internal lengthwise reinforcements in metal. QuaDror™ uprights in unfinished metal of varying thickness.
