MATERIALS

- Glass
- Fabric

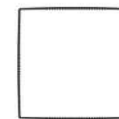

Crystal Lounge - Collection of sectional sofas and armchairs in shaped 15 mm (0.59") extra clear glass, tempered and UV glued. The glass structure contains soft cushions with removable covers, available in different fabrics and eco-leather in many different colors. The filling is made in Dacron or in a new soft material obtained from the recycled plastic from the oceans, the material is allergy free, cruelty-free and eco compatible (sustainable). Putting together lateral modules (left and right) and central modules, it's possible to create many different configurations.
