### MATERIALS

- Glass
- Marble

**Liquefy** - Console in tempered extralight glass with a veined and organic decoration which takes on the color and veins of marble. The surprising image changing effect, makes the veining look dynamic and variable depending on the viewing point. Available in four different colors: green, pink-beige, whisky and anthracite-grey. The decoration is enclosed by a coordinated color frame painted on the glass perimeter.

Available Dimensions: L x D x H
