

LUMINOUS

Design Tokujin Yoshioka

FINISHES

Top Finish

Extralight Tempered Glass

Base Finish

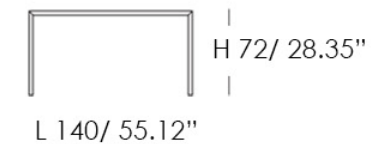

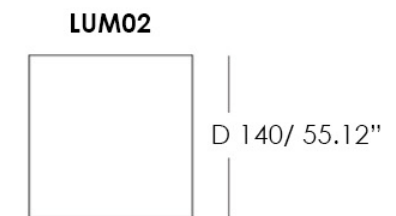

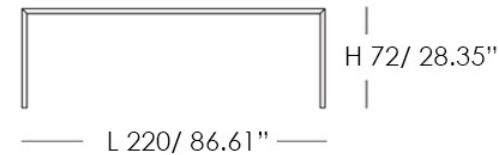

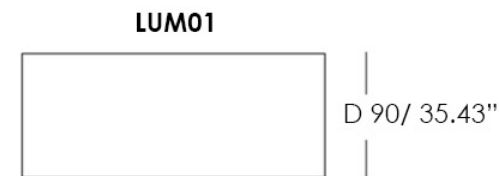

Transparent Extralight Glass

MATERIALS

- Glass

Luminous - A collection of high tables with top in transparent extralight tempered glass and base in laminated transparent extralight glass.

The sides of the table are rebated to allow the glass top to be inset flush inside the frame. The joints are achieved by means of section cuttings and three-dimensional gluing of the table sides and legs.

Available Dimensions: L x D x H
