

PRISM MIRROR TABLE

Design Tokujin Yoshioka

FINISHES

Table Finish: Glass (W/ Reflections of the Mirror)

Silver Plated Transparent
Extralight Glass

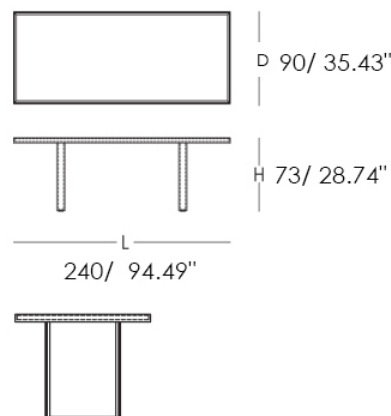

MATERIALS

- Glass
- Metal

PRISM Mirror Table - Table in transparent extralight 12 mm thick silver plated glass. Thanks to the reflections of the mirror and to the special grinding and bevelling of the glass edges, the table acquires a precious brilliance and shine. The bases are fixed to the top by means of metal plates and screws.

PRT01

Available Dimensions: L x D x H
