Matte Oak

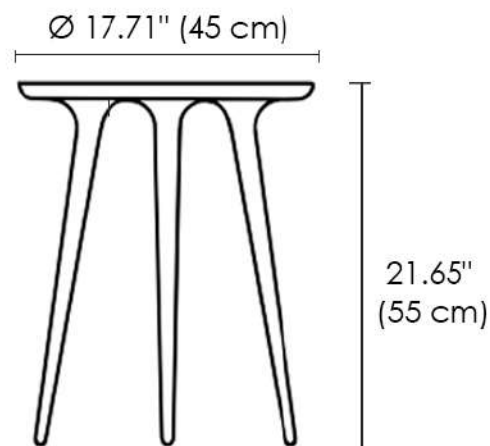

Material

- Solid Oak

Certified

- FSC® certified oak.

The Mater Accent Table is designed by the Danish architect duo Space Copenhagen and combines a sculptural and handcrafted aesthetic. Following the same bloodline as the highly successful 2009 Mater High Stool, the Accent collection consists of three coffee tables, a larger oval lounge table, and a round dining table. The various sizes allow for creativity and flexibility in configuration, creating different atmospheres for both home and public spaces. Crafted in solid FSC®-certified oak with a matte lacquer.
