STRUCTURE

TOUCH (LACQUER)

Materials

- solid beech wood
- Beech wood veneer

CERTIFICATIONS

- CATAS Certification

Alpha Chair: Alpha is the first letter of the alphabet, it represents a return to the shape that expresses function. Its two parts, the seat and the back, easily slot together with a finger-joint system. Stackable chair, with solid beech-wood structure and beech-wood veneer for seat and back. Finishes available in T Touch (lacquer).

Catas Certification on request.

Available Dimensions: W x D x H
