Agnese Ottoman - Agnese is a faithful reissue of the Gianfranco Frattini design, nominated for a Compasso d'Oro in 1956. The armchair is painstakingly true to the original design, right down to details such as the hand-sewn stitching on the armrests. It features a light frame in ash wood, which elegantly supports the backrest and the seat with its armrests and cushion. A matching pouf is also available, again produced to Frattini's original design.

Internal Frame: Birch plywood 12 mm thick.

Padding: Differentiated - density polyurethane foam.

Upholstery: Fully removable cover.

Available Dimensions: L x D x H
