MATERIALS

- Marble
- Metal
- Wood

Coot Coffee Table - Nature's shapes represent a major source of inspiration for designer Gordon Guillaumier. The top of the Coot table was inspired by the simple geometry of a petal; it is a perfect motif for generating a variety of different models from one single form. The support structure is designed to allow the top to open up over a chair or sofa, a particularly useful feature when using a laptop computer.

MINIMUM ORDER 4 PIECES.

Available Dimensions: L x D
