Sinuous lines in the armrests and geometric shapes in the seats flow together into the Argo love seat sofa, perfect to enjoy a relaxing moment in your leisure time. The curved wooden feet, externally fixed, are the key element of this sofa. The armrests and the wide backrest, made up of nautical woven ropes, create a refined play between material and volume, in line with the style of the whole collection.

MATERIALS

- Accoya Wood
- Fabric
- Rope
- Aluminum
