

Leaf Extendable Dining Table Small

Designer - Marco Acerbis

FINISHES Frame, Top

Graphite Frame Dark Grey Top

Mokka Frame Corten Top

The Leaf extendable dining table, with a modern and innovative design, is the ideal piece of furniture to accommodate 6 to 8 people, suitable for large and spacious environments such as gardens and large terraces. The aluminum structure guarantees resistance to external agents and bad weather.

MATERIALS

- Powder-coated Aluminum
- Vitter
