

## Parasol Volcano

### FINISHES

#### Canopy Fabric

White

#### Aluminum Frame

White

- Canopy 3x3 in 250g polyester with PU coating.
- Optional: umbrella light with rechargeable battery.
- Retractable opening system for easy closure near the vertical support. Canopy opening/closure with manual removable crank handle, reclining up to 50 degrees on both sides.
- Steel white cross base, with 4 grit made plates. For an optimal stability we recommend you to put 4 grit plates 50x50x3.5 (weights not included).
- Tilt pole allows parasol 360° degrees rotation.
- Optional: umbrella bluetooth speaker with led light.

### MATERIALS

- Powder-coated Aluminum
- Fabric
- Steel

The stationary Parasol Volcano has a large polyester canopy with PU coating. Retractable opening system for easy closure near the vertical support, slide guides enable to move it very easily. Canopy opening system for easy closure through a manual removable crank handle, reclining up to 50 degrees on both sides. Tilt pole allows parasol 360 degrees rotation. Steel white cross base, with 4 grit made plates. For optimal stability we recommend you put 4 grit plates into the cross base.

118.11" (300 cm) X 118.11" (300 cm)
