

## Riviera Living Armchair

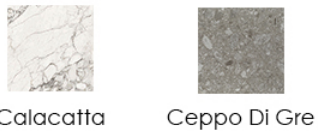

Designer - Jean Philippe Nuel

### FINISHES

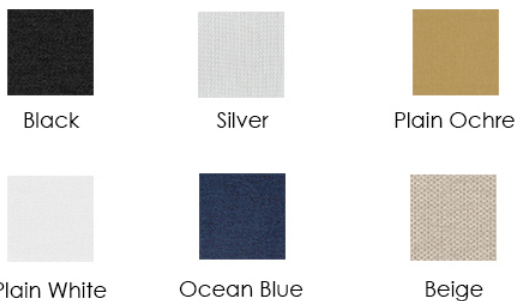

Frame, Cushions

### Porcelain Stoneware Armrest

### Fabric Pillow(Optional)

### MATERIALS

- Powder-Coated Aluminum
- Fabric
- Porcelain Stoneware

The Riviera living armchair, with its wide and deep seat, is the ideal choice to welcome your body in a relaxing moment. The aluminum frame, light and elegant, highlights the generous volumes of the cushions, enriched by the bold texture of the selected fabrics. The stoneware armrests sublimate the armchair, adding a refined touch to the whole collection: this is the perfect piece of furniture to enhance the style of your outdoor living space.
