#### Anita Chair -

**Internal structure:** Curved fir wood multi-ply, double shell.

**Cushions padding:** Sitting cushion, back and arms: Expanded polyurethane with different density.

**Upholstery:** High quality leathers or fabrics available in different categories.

**External structure, base and legs:** Solid American walnut. The double shell of the backrest allows the combined use of two different leathers or fabrics: For a customized upholstery option with a different finish on the outer backrest, please contact us directly for pricing and order placement.

\* This item can be customized upon request
