Gold Stained  
Aluminium

Polished  
Aluminium

Ellington is one of the five families of the sofa collection designed by Ludovica+Roberto Palomba. The aluminium frame (Horm patent), light and ecological, on which all the padded elements are inserted, is the distinctive feature and the common denominator of the collection expression of the high tailoring craftsmanship of Made in Italy. Ellington, with its well-proportioned volumes, represents the most classic and reassuring type of sofa, only 3 cm high from the ground.
