

GSWK Grain Silo Weighing Kit

This Silo weighing kit is suitable for silos/hoppers/ tanks up to 75t capacity. The kit has four double ended shear beam load cells with mount, providing uplift protection without sacrificing accuracy. Load cells are sealed to IP67 protection and both indicator & junction box are IP66 rated.

Kit contains the following:

- 1 * MI102SS Digital Weight Indicator (St Steel)
- 4 * MT404 Double ended Shear beam Load cells
- 1 *Water-tight Stainless Steel Junction Box
- 1 * 5 meter cable (to connect from Jn box to indicator)
- 1* Indicator Manual

Model	Capacity	Division	Load cells
GSWK6t	6000kg*2kg	2kg	4*MT404 2.3t (5klb)
GSWK12t	12000kg*5kg	5kg	4*MT404 4.5 (10klb)
GSWK30t	30000kg*10kg	10kg	4*MT404 11t (25klb)
GSWK50t	50000kg*20kg	20kg	4*MT404 16t (35klb)
GSWK75t	75000kg*50kg	50kg	4*MT404 23t (50klb)
