

How to use Liquid Pearls™

- 1. Shake well before each use.
- 2. Apply 2 or more smooth coats. Let dry between coats.
- 3. Thin with water or Thin 'n Shade if needed.
- 4. Clean up with water.
- 5. Always refer to label instructions for proper application and usage.

Tips & Techniques

- 1. These colors dry brush easily for glimmering highlights.
- 2. Quite transparent, Liquid Pearls add gleaming accents to butterfly wings, flower petals, anywhere you want subtle glowing color.
