2016 TRAINING MANUAL

COCO CLEAN

natural SHAMPOOS, CONDITIONERS & BRUSH SPRAYS

made with COCONUT OIL

COCO CLEAN

Available sizes:
250ml (8.4oz)

xtra clean shampoo

A natural, yet thorough, cleansing shampoo for all coat types. Removes dirt, grime, and odor without being harsh on the skin or coat. Clarifies the coat for a fresh start.

features + benefits

- features our signature red berries + champagne fragrance
- great for all coat types, especially smelly coats with build-up
- with added coconut oil
- soap, sulfate, and paraben free
- odor-neutralizing
- safe to use with topical flea + tick products

what you should know

Coconut oil has a multitude of benefits for dogs' coat and skin. It promotes soft, healthy and strong hair, helps relieve dry, itchy, flaky and irritated skin, and strengthens the protective skin barrier. It also helps reduce protein loss and serves as an all-natural, refreshing deodorizer.

directions

Wet dog's coat, apply shampoo, lather and rinse thoroughly. Follow with CocoClean Detangling Conditioner.

ingredients

Purified Water, Sodium C-14-16 Olefin Sulfonate, Lauramide MEA, Decyl Glucoside, Glyceryl Oleate, Cocamidopropyl Betaine, PEG 6000 Distearate, Glycerin, Coconut Oil, Polyquaternium 7, Polysorbate 20, Hydroxypropyl Cellulose, Vitamin A & D, Vitamin E, Nonoxynol 10, Citric Acid, Fragrance, DMDM Hydantoin

COCO CLEAN

Available sizes:

250ml (8.4oz)

detangling conditioner

A deeply penetrating conditioner formulated to detangle, protect, help prevent breakage, and add shine. This conditioner, with added oatmeal, will add extra moisture for dry and itchy skin.

features + benefits

- features our signature jasmine + vanilla fragrance
- contains soothing oatmeal
- with added coconut oil
- soap, sulfate, and paraben free
- odor-neutralizing
- safe to use with topical flea + tick products

what you should know

Coconut oil has a multitude of benefits for dogs' coat and skin. It promotes soft, healthy and strong hair, helps relieve dry, itchy, flaky and irritated skin, and strengthens the protective skin barrier. It also helps reduce protein loss and serves as an all-natural, refreshing deodorizer.

directions

Apply to dog's wet coat after shampooing. Let sit 1 to 2 minutes and rinse out.

brush sprays

Odor-neutralizing brush sprays are available in six fragrances to match the CocoClean collection of shampoos and conditioners. Layering with these long-lasting scents will help extend freshness. Can also be used as a freshener mist, without brushing.

features + benefits

- using brush spray will help prevent hair breakage and painful irritation
- perfect for freshening your dog's coat after a walk or in between baths
- with added coconut oil
- soap, sulfate, and paraben free
- odor-neutralizing
- safe to use with topical flea + tick products

what you should know

Brush spray with added coconut oil helps reduce shedding, static and maintains a silky, healthy coat that stays cleaner longer. You should never brush a dry coat. Using brush spray will help ease your grooming tool through the coat without irritation. Coconut oil has a multitude of benefits for dogs' coat and skin. It promotes soft, healthy and strong hair, helps relieve dry, itchy, flaky and irritated skin, and strengthens the protective skin barrier. It also helps reduce protein loss and serves as an all-natural, refreshing deodorizer.

directions

Spray directly on the dog and brush through. Brushing can be done before and after baths, as well as daily.
