

# Canyon School Supplies Drive!

**While doing your Back-to-School shopping, please take advantage of those great sales and grab a few extra items for local school children in need!**

We will be collecting school supplies such as

- pencils
- pens
- crayons
- markers
- glue sticks
- notebook paper
- composition books
- backpacks
- 3-ring binders

which will then be distributed to children in need by School on Wheels!

*This is a wonderful opportunity for our children to think about their community!*

*Make them a part of the Back-To-School shopping experience and have them pick out items to share with less fortunate children in our area.*

**Please bring your donations to the Canyon School Library steps during the first two weeks of school!!**
