

Collectible Queen II ornament is next in Wipper Willow line

Brad and Isa Wipperfurth's series of Christmas ornaments that captures the fun and memories of the Iowa Great Lakes has been expanded this year to include a depiction of the Queen II excursion boat. The Wipperfurths, founders of Wipper Willow in Middleton, WI, designed their series of Okoboji ornaments as a tribute to the vacation spot they love most.

The ornament, which is 4.5 by 2.75 inches in size, can be ordered for \$36 each. The 2003 ornament, a depiction of The Legend roller coaster at Arnolds Park Amusement Park, is also available. For more information, call Wipper Willow at (608) 833-0371, e-mail the Wipperfurths at
