|---------------------|--------------------------------------|-------------------------------|---------------------|
| <b>Description:</b> | SmartyPants Organic Women's Complete | <b>SmartyPants Formula #:</b> | 326-Organic Women's |
| <b>Lot Number:</b>  | 19061                                | <b>Expiration Date:</b>       | 9/1/2020            |

| Active Ingredient                                       | Label Claim Per Piece | Result   |
|---|-----------------------|----------|
| Deerland DE111 Bacillus Subtilis / CFU (viable spores)  | 2.5 x 10 <sup>8</sup> | Conforms |
| Organic Flaxseed Oil                                    | 85.25 mg              | Conforms |
| Organic Flaxseed Oil ALA 50%                            | 42.63 mg of ALA       | Conforms |
| Omega-3 (a Linolenic Acid)                              | 42.75 mg              | Conforms |
| Omega-6 (Linoleic Acid)                                 | 10.75 mg              | Conforms |
| Omega-9 (Oleic Acid)                                    | 13.75 mg              | Conforms |
| Organic Acerola Ext 17%                                 | 11.25 mg of Vitamin C | Conforms |
| Vitamin A (as palmitate)                                | 112.50 IU             | Conforms |
| Zinc (as Zinc citrate)                                  | 0.825 mg              | Conforms |
| Vitamin A (as Beta Carotene)                            | 112.50 IU             | Conforms |
| Vitamin B1 (as Thiamine Mononitrate)                    | 0.028 mg              | Conforms |
| Vitamin B2 (Riboflavin)                                 | 0.065 mg              | Conforms |
| Vitamin B3 (Niacinamide)                                | 0.80 mg               | Conforms |
| Vitamin B5 (Pantothenic Acid as Calcium D-Pantothenate) | 0.562 mg              | Conforms |
| Vitamin B6 Pyridoxal 5 Phosphate (as Pyridoxine HCl)    | 0.375 mg              | Conforms |
| Vitamin B7 (Biotin)                                     | 7.50 mcg              | Conforms |
| Vitamin B9 (Folic Acid: L-5 methyltetrahydrofolate)     | 60.00 mcg             | Conforms |
| Vitamin B12 (as Methylcobalamin)                        | 0.75 mcg              | Conforms |
| Vitamin E (as d-alpha Tocopherol acetate)               | 4.48 IU               | Conforms |
| Vitamin K2 (MK7-Menaquinone)                            | 6.00 mcg              | Conforms |
| Vitamin D3 (as Cholecalciferol)                         | 500 IU                | Conforms |
| Selenium (Sodium selenite)                              | 3.5 mcg               | Conforms |
| Iodine (as Potassium Iodide)                            | 37.50 mcg             | Conforms |
| Inositol (from inositol nicinate)                       | 225 mcg               | Conforms |

| Microbiological                       | Specification    | Result      |
|---------------------------------------|------------------|-------------|
| Yeast & Mold                          | ≤ 100 CFU/g      | <10 cfu/g   |
| Salmonella                            | Absence          | Absent      |
| E. coli                               | Absence          | Absent      |
| Staph. aureus                         | Absence          | Absent      |
| Total Coliforms                       | ≤50 CFU/g        | <10 cfu/g   |
| Pseudomonas aeruginosa                | Absence          | Absent      |
| Heavy Metals                          | Specification    | Result      |
| Lead                                  | <0.5mcg/Per Day  | 0.0824 mcg  |
| Arsenic                               | <10 mcg/Per Day  | <0.1392 mcg |
| Cadmium                               | <4.1 mcg/Per Day | <0.0696 mcg |
| Mercury                               | <0.3 mcg/Per Day | <0.0696 mcg |
| External Chemical Parameters Test     | Specification    | Result      |
| Pesticides                            | Pass/Fail        | Pass        |
| Residual Solvents Class 1, 2a, and 2b | Pass/Fail        | Pass        |
| Gluten                                | ≤ 20 ppm         | <5.0 ppm    |

| Approval:                 |   |

## Heavy Metals

We want you to know. That's why we provide full reporting of our test results, even those that show acceptable trace amounts of heavy metals. While it's impossible to eliminate all traces of heavy metals, as they are naturally-occurring components of our environment, found in the water, soil, air, and fruits and vegetables, we know how important safety is for us all and make sure those levels as kept as low as possible at all times and always within the legal limit. That's why our products either meet or fall below the limits set by California's Prop. 65 – the strictest standard, worldwide, for environmental toxins. For more information on the presence of heavy metals in our products, [click here](#).
