| <b>Description:</b> | SmartyPants Toddler Formula | <b>SmartyPants Formula #:</b> | 328RF-Toddler Complete Reformulated |
| <b>Lot Number:</b>  | MH9C29                      | <b>Expiration Date:</b>       | 9/29/2020                           |

| Active Ingredient                  | Label Claim Per Piece | Result   |
|------------------------------------|-----------------------|----------|
| Vitamin A (retinyl palmitate)      | 15 mcg                | Conforms |
| Vitamin A (beta-carotene)          | 15 mcg                | Conforms |
| Vitamin C                          | 7.5 mg                | Conforms |
| Vitamin D (D-3 as cholecalciferol) | 3.4 mcg               | Conforms |
| Vitamin E (d-alpha-tocopherol)     | 1.1 mg                | Conforms |
| Vitamin K (K-1 as phyloquinone)    | 2 mcg                 | Conforms |
| Vitamin B1 (thiamin)               | 0.017 mg              | Conforms |
| Vitamin B2 (riboflavin)            | 0.027 mg              | Conforms |
| Vitamin B6 (pyridoxal 5-phosphate) | 0.17 mg               | Conforms |
| L-Methylfolate                     | 25 mcg                | Conforms |
| Vitamin B12 (methylcobalamin)      | 0.3 mcg               | Conforms |
| Biotin                             | 2.7 mcg               | Conforms |
| Pantothenic Acid                   | 0.064 mg              | Conforms |
| Choline                            | 6.7 mg                | Conforms |
| Iodine                             | 15 mcg                | Conforms |
| Zinc                               | 0.27 mg               | Conforms |
| Inositol                           | 0.34 mg               | Conforms |
| Vitamin K2 (menaquinone-7)         | 1.4 mcg               | Conforms |
| Fish Oil                           | 57 mg                 | Conforms |
| EPA                                | 9.4 mg*               | Conforms |
| DHA                                | 7.4 mg*               | Conforms |
| Total Omega-3s                     | 17 mg                 | Conforms |

*Note: EPA, DHA and Total Omega-3s reported as Triglycerides. \*Label claim based on typical analysis.*

| Microbiological                       | Specification    | Result      |
|---------------------------------------|------------------|-------------|
| Total Plate Count                     | <2000 cfu/g      | 10 cfu/g    |
| Yeast & Mold                          | <200 cfu/g       | <10 cfu/g   |
| Salmonella                            | Absent/10g       | Absent      |
| E. coli                               | Absent/10g       | Absent      |
| Staph. aureus                         | Absent/10g       | Absent      |
| Pseudomonas aeruginosa                | Absent/10g       | Absent      |
| Heavy Metals                          | Specification    | Result      |
| Lead                                  | ≤0.5mcg/Per Day  | 0.0402 mcg  |
| Arsenic                               | ≤10 mcg/Per Day  | <0.0456 mcg |
| Cadmium                               | ≤4.1 mcg/Per Day | <0.0228 mcg |
| Mercury                               | ≤0.3 mcg/Per Day | <0.0228 mcg |
| External Chemical Parameters Test     | Specification    | Result      |
| Pesticides                            | Pass/Fail        | Pass        |
| Residual Solvents Class 1, 2a, and 2b | Pass/Fail        | Pass        |
| Gluten                                | ≤ 20 ppm         | <5.0 ppm    |

| Approval:                 |   |

## Heavy Metals

We want you to know. That's why we provide full reporting of our test results, even those that show acceptable trace amounts of heavy metals. While it's impossible to eliminate all traces of heavy metals, as they are naturally-occurring components of our environment, found in the water, soil, air, and fruits and vegetables, we know how important safety is for us all and make sure those levels are kept as low as possible at all times and always within the legal limit. That's why our products either meet or fall below the limits set by California's Prop. 65 – the strictest standard, worldwide, for environmental toxins. For more information on the presence of heavy metals in our products, [click here](#).
