**Step 1**

Lay out Pieces A, B, and C on the floor, in their corresponding order. Place pieces on their side, in order to insert shelves.

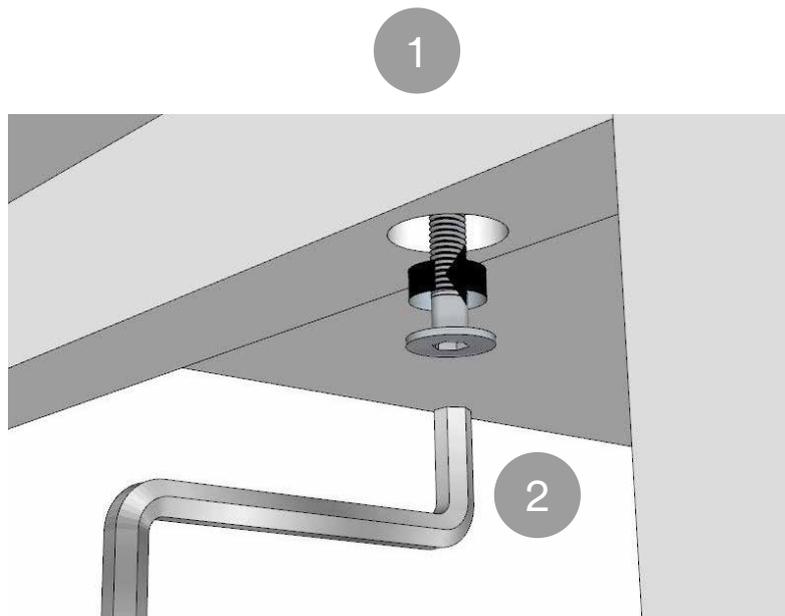

### Step 2

Insert top and bottom shelves (both “a”) into their corresponding spaces, making sure that the panels remain straight.

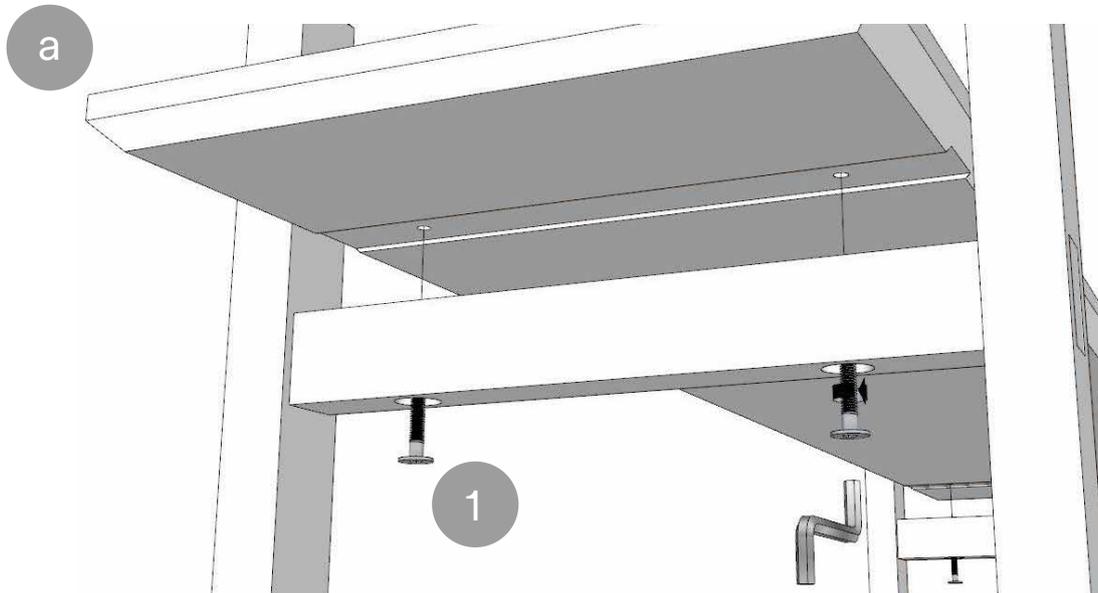

### Step 3

Screw both shelves onto the panels. Make sure the top shelf is screwed onto panels A & C, and the bottom shelf is screwed on to panels A, B, & C.

## Step 4

Place the rest of the “A” shelves on their corresponding places, screwing each of these on.

---

## Step 5

Lastly, place the B shelf in its corresponding space and screw it on. Lift the shelf to its upright position and place in its new space.
