

The compact Casares Lounge Chair makes a grand impression. Featuring a wooden frame with a handwoven backrest and seat, the Casares Lounge Chair is ideal for smaller residential spaces and/or hospitality projects. Its midcentury modern design combines style with comfort.

Our Colonial Pattern is inspired by the ornate tilework of Spanish Colonial architecture found throughout Nicaragua. Its black and white juxtaposition is ideal for those wanting a monochromatic look without sacrificing intricate details. This handwoven pattern is perfect for those seeking a timeless design.
