

The Masaya Armchair features a solid wood frame, handwoven seat and backrest, and sturdy yet comfortable armrests. Handcrafted from sustainably sourced wood and handwoven by local artisans, the Masaya Armchair is heirloom quality furniture that will stand the test of time.

Our Colonial Pattern is inspired by the ornate tilework of Spanish Colonial architecture found throughout Nicaragua. Its black and white juxtaposition is ideal for those wanting a monochromatic look without sacrificing intricate details. This handwoven pattern is perfect for those seeking a timeless design.
