

The Masaya Rocking Chair is a midcentury modern, solid wood rocker, handcrafted from sustainably sourced wood and handwoven by local artisans. This rocking chair is ideal for indoor spaces, covered porches, favorite reading spots, or as an accent chair adding a pop of color to any area.

Our unique, handwoven San Geronimo Pattern is inspired by the traditional festivities for the patron saint of the town of Masaya. The vivid colors in this pattern bring the rich and joyful Nicaraguan culture into the comfort of your home.
