

A perfect complement to your chairs, sofas, and rocking chairs. The Masaya Ottoman is a stylish piece of furniture that can act as a footrest, stool, or extra seating space. It features a handwoven seat and is available in a variety of sustainably sourced hardwoods.

Our Colonial pattern is inspired by the ornate tile work of Spanish Colonial architecture found throughout Nicaragua. Its black and white juxtaposition is ideal for those wanting a monochromatic look without sacrificing intricate details. This handwoven pattern is perfect for those seeking a timeless design.
