

The Izapa Rocking Chair is a stylish, comfortable accent chair to complement any living space. This rocking chair is handcrafted from sustainably sourced wood and features a handwoven seat and backrest with curved wooden armrests. Ideal for relaxing after a long day, reading a favorite book, or as a modern accent chair for your home or office.

Our Colonial pattern is inspired by the ornate tile work of Spanish Colonial architecture found throughout Nicaragua. Its black and white juxtaposition is ideal for those wanting a monochromatic look without sacrificing intricate details. This handwoven pattern is perfect for those seeking a timeless design.
