

INSTRUCTION MANUAL

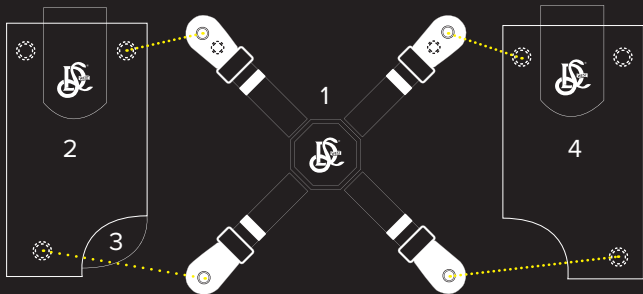

## I N S T R U C T I O N S

The LD WEST® Holster assembly consists of four pieces. (1) the harness, (2) wallet pouch, (3) wallet and (4) phone pouch

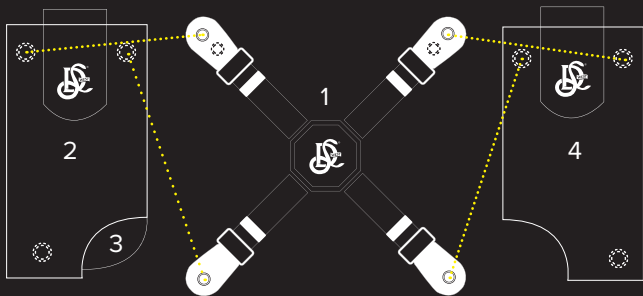

The LD WEST® Holster can be used in four different configurations. Please follow the desired look when wearing the LD WEST® Holster.

## I M P O R T A N T

When removing the pouches, do not use excessive force. Doing so may cause abnormal wear resulting in permanent damage to the metal snap buttons. Simultaneously twist and pull the metal snap buttons with your fingers placed near the base of the snaps and gently pull apart the pouch from the strap tips.

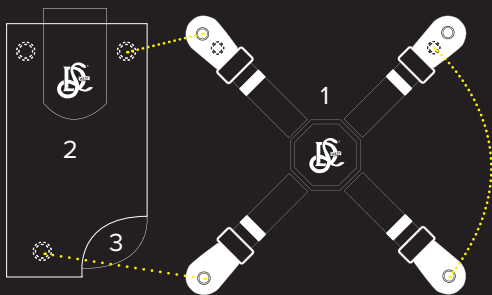

CONFIGURATION A  
Normal

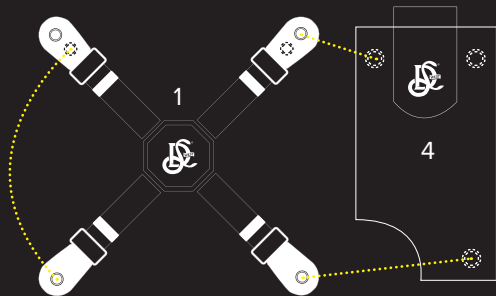

CONFIGURATION B

**Tailored Fit**

*(Suits & Blazers)*

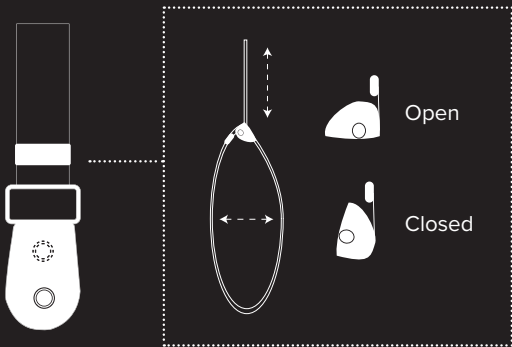

CONFIGURATION C  
Single Side Wallet

CONFIGURATION D  
Single Side Phone

## ADJUSTING THE STRAP LENGTHS

To adjust the fitment and strap lengths of the LD WEST® Holster, release and open the metal clasp(s) and increase/decrease the slack of the strap(s) length then lock the metal clasp(s) by closing them together.

## DISCLAIMER AND WARRANTY

LD WEST® is not responsible for any harm and/or damages, explicit or implied, towards the user (or the users personal belongings) with the use of any products or services associated with LD WEST® or its affiliates. It is the sole responsibility of the user to exercise due diligence before any attempt is made to use any product or service offered by LD WEST® and its affiliates. By choosing to use and/or purchase any product or service from LD WEST® and its affiliates, the user releases LD WEST® and its affiliates of any liabilities or damages.
