You will need a sheet of paper, scissors, pencils and/or crayons or paint, plus 4 small containers.

<i>ACCESSORY</i>	<i>COLOUR</i>

1. Cut out each of the words, fold up and pop them in 4 small containers, one for each category. (Take care not to mix them up!).
2. Without peeking, pick one word from each container. Your challenge is to create an illustration using all four words. A skateboarding horse wearing a green tutu perhaps? Imagine that! It doesn't have to be perfect, just remember to have fun!
3. Ask your mum, dad or caregiver to share your amazing artwork on Instagram! (Or share on your own account if you're a grown up!) Make sure you tag me **@megantuckerillustration** and use the hashtag **#mtiartclub**. I can't wait to see what you come up with!
