

RUSSH

In Venustus' calm space in Paddington their new Crystal and Cryotherapy facial is the perfect answer to today's modern stressors, an antidote to the amount of tension we hold in our face. The treatment is completely individual with your choice of organic water perfume scent, crystals and products targeted to your needs. The facial promises relaxation and delivers - with long soothing facial and upper body massage and the alternating use of hot rocks and cryotherapy frozen tools. Crystal rollers stimulate lymphatic drainage while serums deeply penetrate leaving skin glowing and moisturised. Go on and treat yourself.
