

# With the Touch of a Button, DoseValet™ AutoFill

- ✓ Saves Time
- ✓ Saves Money
- ✓ Prevents Error

Item No. 345DVPA

▶ With the push of a button, the DoseValet™ AutoFill will fill your sink, dose your detergent, monitor temperature and detergent usage, all while freeing up technicians to do other important tasks.

- No more standing around while the sink fills!
- No more overflowing accidents!
- No more wasting time!

▶ Management Reports

- Reports download via USB
- Tracks chemical usage and replacement frequency
- Great for CMS/TJC audits!

With the purchase of Ruhof detergents\*, your facility is qualified to receive, at no additional cost to you, a state of the art, free on loan, DoseValet™ AutoFill System to make the task of manually cleaning surgical instruments easier and more complete. This advanced system is installed, calibrated, and serviced by Ruhof technicians for as long as you purchase our products.

**MAXIMUM CLEANING POWER**  
**Endozyme AW Triple Plus w. APA**  
 Multi-Tiered Enzymatic Detergent with Advanced Proteolytic Action and rust inhibitors designed to remove all bio-burden and protect your instruments, lowering repair/replacement costs, speeding up turn-around time, and reducing the risk of HAI's.
