

Models Kingsley Boots

London 01

Polo model with zipper in the front
One zip strap at the top with a buckle
Narrow cut on the ankle (slightly wider than the Olbia, narrower than the Capri)
The top is slightly lower at the front due to the zipper. The back is the same height as the other models
Available in sizes 30 – 46, half sizes available
Sheepskin lining option available

London 02

Polo model with zipper in the front
Two straps, one at the top with a buckle, and one on the ankle area with a buckle
Narrow cut on the ankle (slightly wider than the Olbia, narrower than the Capri)
The top is slightly lower at the front due to the zipper. The back is the same height as the other models
Available in sizes 30 – 46, half sizes available
Sheepskin lining option available

Capri

Dressage boot, with an elegant high dressage cut
Zipper on the inside with a zip protector at the top
Wider cut on the ankle (wider than the London and Olbia due to the instep)
This boot comes standard with an reinforced (hard) outside
Do not recommend this boot when the customer has a very slim calf, the boot will become very straight and might not look nice on your customer
Available in sizes 30 – 46, half sizes available
Sheepskin lining option available

Orlando

Zipper in the back, with two zip protectors
Laces in the front. With these laces the shaft of this boot can be adjusted to nearly every calf size without choosing made to measure
Narrow cut on the ankle.
All-round model, suitable for all disciplines
Available in sizes 30 – 46, half sizes available
Sheepskin lining option available

Olbia 01

Zipper in the back, with two zip protectors
Without laces
Narrow cut on the ankle.
All-round model, suitable for all disciplines
Available in sizes 30 – 46, half sizes available
Sheepskin lining option available

Olbia 02

Zipper in the back, with two zip protectors
With elastic laces on the instep
Narrow cut on the ankle
All-round model, suitable for all disciplines
Available in sizes 30 – 46, half sizes available
Sheepskin lining option available

Aspen 01 / 02

Standard model in black, brown and blue
This boot is not customizable
With an elastic insert on the back
02 with elastic laces on the instep. 01 without laces.
With sidestrap
Narrow cut on the ankle.
All-round model, suitable for all disciplines
Due to the elastic insert, this boot is very suitable for young riders whose legs are still growing
Available in sizes 30 – 46, half sizes available

Aspen Special 01 / 02

Available in blue, black and brown
The colour the top and pipings are customizable
With an elastic insert on the back
02 with elastic laces on the instep. 01 without laces.
With a set top
Narrow cut on the ankle.
All-round model, suitable for all disciplines
Due to the elastic insert, this boot is very suitable for young riders whose legs are still growing
Available in sizes 30 – 46, half sizes available
