

## Models Kingsley Boots

---

### London 01

Polo model with zipper in the front  
One zip strap at the top with a buckle  
Narrow cut on the ankle (slightly wider than the Olbia, narrower than the Capri)  
The top is slightly lower at the front due to the zipper. The back is the same height as the other models  
Available in sizes 35 – 46, half sizes available  
Sheepskin lining option available

### London 02

Polo model with zipper in the front  
Two straps, one at the top with a buckle, and one on the ankle area with a buckle  
Narrow cut on the ankle (slightly wider than the Olbia, narrower than the Capri)  
The top is slightly lower at the front due to the zipper. The back is the same height as the other models  
Available in sizes 35 – 46, half sizes available  
Sheepskin lining option available

### Capri

Dressage boot, with an elegant high dressage cut  
Zipper on the inside with a zip protector at the top  
Wider cut on the ankle (wider than the London and Olbia due to the instep)  
This boot comes standard with an reinforced (hard) outside  
Do not recommend this boot when the customer has a very slim calf, the boot will become very straight and might not look nice on your customer  
Available in sizes 35 – 46, half sizes available  
Sheepskin lining option available
