Piping at the boot:

Piping is a 0.5 cm leather border that can be placed on the edges of the stitching. This is possible in many places but not everywhere. Contact us if you have any questions.

Light wooden sole:

Dark wooden sole:

Black sole:

No extra costs, this is standard

Other leather:

Other leather has an additional price. Under other leather we mean varnish and leathers with a print.
All smooth colors therefore have no additional costs regardless of the color.
