AFTER A FACIAL TREATMENT AT AUBERGE DU SOLEIL IN NAPA VALLEY, YOU CAN TAKE HOME THE SERUM AND KEEP YOUR SKIN “SPA PERFECT.”

Auberge du Soleil has partnered with celebrated natural skincare brand Vintner’s Daughter to elevate the facial experience at the award-winning Auberge du Soleil Spa. Vintner’s Daughter’s coveted product, Active Botanical Serum, will be showcased in the Spa’s indulgent “Best of Auberge” facial treatment for the first time. The luxurious multi-correctional serum enhances the results-driven facial with nutrient-rich botanicals and powerful skin renewing agents to promote an instant, long-lasting glow while stimulating cellular turnover and skin elasticity. This exclusive partnership between Auberge du Soleil and Vintner’s Daughter is the skincare brand’s first and only spa partnership in Napa Valley.

We can’t think of anything better than indulging in this treatment and spending the day at the Auberge du Soleil Spa dipping into the temperate soaking pools with captivating views of the valley. www.aubergedusoleil.com
