NITRILE GLOVES

Nitrile gloves are a completely non-allergenic alternative to latex. Nitrile's stretch and durability characteristics are very similar to latex and are generally more puncture-resistant than latex gloves.

CUSTOMER CARE

Shipping Policy

We will ship out product on the same day that the order is received.

Delivery to Metro Phoenix will be on the next business day except Thursday and Friday which will be delivered the following Monday.

Orders outside metro Phoenix will be delivered via UPS ground service. Call us for the complete UPS schedule.

In the event of a back-order the customer will be notified and every attempt will be made to satisfy the order with a similar brand in a timely manner.

Returns & Exchanges

If you are dissatisfied for any reason, we provide a full money-back guarantee on all our products. You may also exchange any unused product for any reason.

We're Social!

We offer specials and give our most up-to-date product information on Facebook, Twitter and through our email newsletters.
