Simplify life with a high-quality wireless music solution

Combining dynamic playback from rare-earth-magnet drivers encased in aluminum with hands-free control, the C7 wireless headphones simplify hi-fi music with *Bluetooth*® pairing via NFC—just touch smartphone and earphones together. Soft and secure silicon neckband fits your body shape and is very comfortable. Stay connected with Pioneer Notification App for Android™ to read alerts, with a voice-activated reply function that's great when you have to keep moving. There's also a remote for phone-calls. Unified cable, tip, and headphone colors look fantastic with high-texture aluminum body finish setting you apart from the plastic crowd. A choice of colors enhances a clever design that gets out of the way of your music.

Aluminum Housing and Base

Housing and base are crafted in solid aluminum, so you can hear detail clearly and enjoy deep bass with no vibration. Sound is clean, taut, and filled with energy.

Clear and Dynamic Sound

Rare-earth-magnet drivers deliver extra bass punch without overwhelming a clean and crisp mid-range for vocals. Expect fluid delivery and musical expression.

Go Hands-free with Intuitive Remote

Three intuitive remote buttons let you accept, make, and end calls. You can also adjust volume, play/pause, and skip tracks without breaking stride.

Comfort, Convenience, and Style

Soft and comfortable neckband conforms without slipping and folds down for compact storage, while a slider keeps bundled headphones neat. Neckband, earphones, and earphone tips are color-coordinated, while alumite-processed earphone finish has a high-texture sheen.

Instant *Bluetooth*® Connection with NFC

These headphones fix the hassle of yesterday's wireless. For phones with NFC, just touch devices and *Bluetooth* technology connects automatically.

Exclusive Pioneer Notification App

Pioneer Notification App for Android™ reads notifications you choose aloud, such as e-mails, SMS, or messages. Reply Function lets you answer quickly using voice recognition: great when you can't reach your phone during exercise. Get alerts when your calendar updates, hear news headlines in real time, and more.

SOUND QUALITY

- › Aluminum housing and base reduces vibration for superb clarity
- › ϕ 8 mm ($\frac{5}{16}$ ") rare-earth-magnet dynamic driver
- › Deep, taut bass and clear mid-range for beautiful vocals
- › Wireless technology supports AAC codec for high-quality sound
- › Four earphone tip sizes (XS/S/M/L) assure a firm seal

PEOPLE-FOCUSED FEATURES

- › Features NFC to instantly connect compatible devices via *Bluetooth*®
- › Supports multi-pairing (max. 8 devices) for shared listening
- › Pioneer Notification App exclusively for Android™ devices
- › Soft, comfortable neckband and cables feature lightweight remote and battery
- › Earphone-cable slider enables easy bundled storage
- › Inline control box and mic for hands-free phone conversation
- › Make/take/end call, volume, play/pause, skip forward/back control
- › Approx. 7 hours playback and 1.5-hour recharge via Micro USB cable

INDUSTRIAL DESIGN

- › High-texture alumite-processed finish in a choice of four colors
- › Unified color scheme for earphone, neckband, earphone tip, and cables
- › Lightweight, compact, and comfortable for freedom of movement

SPECIFICATIONS & ACCESSORIES

- › Transmission method: *Bluetooth*® Ver. 4.1
- › Output: *Bluetooth* Standard Protocol Power Class 2
- › Transmission distance: Up to 10 m (32 ft.)
- › Frequency used: 2.4 GHz (2.4000 GHz–2.4835 GHz)
- › Modulation: FHSS
- › Supported *Bluetooth* profiles: A2DP/AVRCP/HFP/HSP
- › Supported codecs: SBC/AAC
- › Multi pairing: Max. 8 devices
- › Power source: DC 3.7 V rechargeable lithium-ion battery
- › Battery time: Max. 7 hours with continuous connection (including audio playback)
- › Charging time: Approx. 1.5 hours
- › Type: Fully enclosed dynamic headphones
- › Driver: ϕ 8 mm ($\frac{5}{16}$ ") dynamic driver
- › Frequency response: 5 Hz–22 kHz
- › Weight: 20 g (0.70 oz.) including battery pack
- › Supplied with XS/S/M/L silicon earphone tips and micro USB cable

Package dimensions (W x H x D)
115 mm x 168 mm x 38 mm (4 $\frac{11}{32}$ " x 6 $\frac{5}{8}$ " x 1 $\frac{1}{2}$ ")
