

ADD - A - TABLE

COMPACT AND STURDY

- Can be quickly mounted and removed from any flat vertical surface
- Mount them to your Trail Kitchens Camp Kitchen, off road trailer, bumper mounted cargo box, etc.
- Can be mounted at any height from a 19" to 34" in table height

TWO VERSIONS AVAILABLE

- A bi-fold version that stores the 2 legs inside when folded - **16"W x 24"D x 1"H - 4 lbs**
- A single table where the single leg stores separately - **16"W x 24"D x 2"H - 9 lbs**
- The size of both models mimic the footprint of the camp kitchens so they can be stacked below or above the camp kitchens, minimizing the storage space required
- Additional mounting brackets can be ordered for using the same table in more than one location
