

PITAKA MagEZ Mount User Manual

Package Contains:

- PITAKA MagEZ Mount x 1
- Metallic Plate x 1

Compatibility Notice:

- With a PITAKA MagEZ Case/MagEZ Case Pro, there's no need to use the metallic plate. Simply attach the device to the mount and go.
- If you are not a PITAKA MagEZ Case/MagEZ Case Pro user, the metallic plate is necessary for the mounting.

Installation:

(If you are using PITAKA MagEZ Case/MagEZ Case Pro, you can skip step 2 directly)

STEP 1:

Stick the adhesive metallic plate on the back of the device or the phone case.

With case

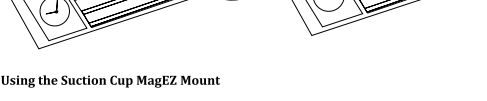

Without case

STEP 2:

Using the PITAKA Car Vent MagEZ Mount

Find a safe location on the vehicle vent, slide the MagEZ Mount air vent clips into your car's air vent.

Using the Suction Cup MagEZ Mount

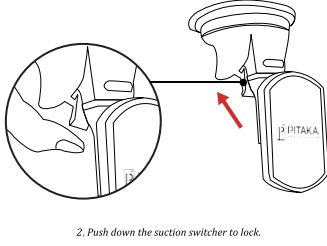

Find a proper location on the windshield or on the dashboard, and clean the surface.

Then firmly press the suction cup and press down the suction switcher to ensure the MagEZ Mount is adhered tightly to the windshield or dashboard.

* Notice: Remember to press the suction cup on the windshield FIRST, then press the suction switcher and lock to ensure the MagEZ Mount will be tightly adhered to the windshield.

1, Firmly press the suction cup against the windshield.

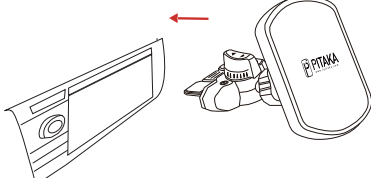

2, Push down the suction switcher to lock.

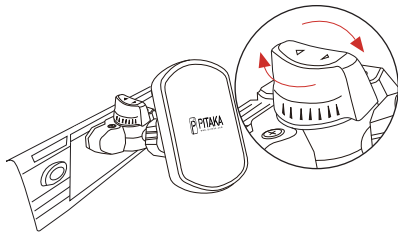

3, Then the MagEZ Mount is attached on the windshield tightly.

Using the CD Slot MagEZ Mount

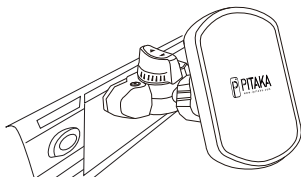

Simply insert the slot mount in and tighten the screw to lock it in-place.

1, Insert the mount in the CD slot.

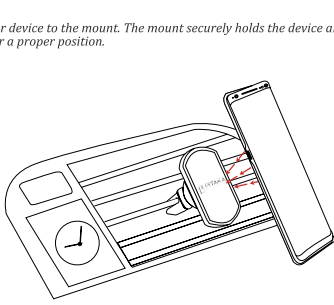

2, Tighten the mounting screw to lock the mount in-place.

3, The MagEZ Mount (CD Slot) is installed well.

STEP 3:

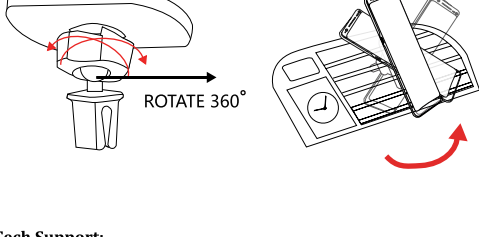

Attach your device to the mount. The mount securely holds the device and automatically aligns it for a proper position.

STEP 4:

Adjust the ball-joint rotation to align the mount for the suitable viewing angle. You can rotate the vent mount so your device is in either portrait or landscape orientation.

And then tighten the rotation to fix the position until it rests firmly.

ROTATE 360°
