## Saga

Combining tradition with modern function

In the olden days, people in Scandinavia raised buildings that to modern eyes look like something out of story books. We combined the classic style with modern function, and named it "Saga" - Swedish for fairy tale.

**Natural & authentic**

**Environmentally friendly**

**Durable & strong**

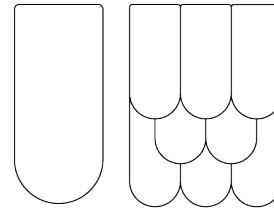

**Hypo-allergenic**

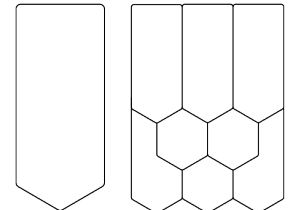

**Fire-resistant**

**Light-weight**

**Saga Round**

**Saga Hexagon**

### SHAPES AND SIZES

Round, Hexagon, Diamond, Drop, Feather, Straight, Traditional. Available in cartons of 40 or 10.

### CERTIFICATES

- Sound Absorption Average (SAA) of 24% and Noise Reduction Coefficient (NRC) of 25% per ASTM C423-17
- Sound Absorption Coefficient of 0.30 per ISO 354 & 11654
- Sound scattering coefficient 0,82 at 5000 Hz per ISO 17497

### DESIGN RESOURCES

3D Studio (.3ds), Revit (.rfa), Rhino (.3dm), SketchUp (.skp and warehouse), AutoCAD (.dwg) and pCon. Online planner tool available on [www.nordgrona.com/saga](http://www.nordgrona.com/saga)

### INSTALLATION

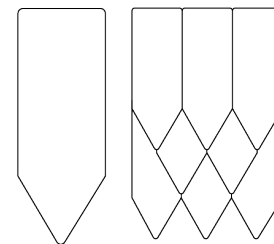

Construction adhesive (Recommended type PL800 can be ordered from Nordgröna).

### SPECIFICATION TEXT

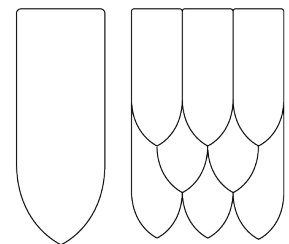

Nordgröna sound absorbing and diffusing cork wall covering Saga. Doubles as a pinboard.

### PRODUCT TIP

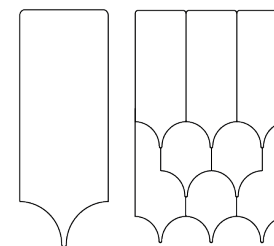

Use shape "straight" as the last row for a clean finish!

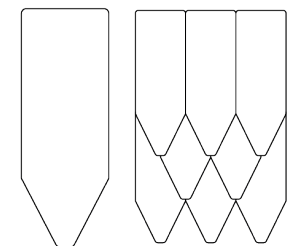

**Saga Diamond**

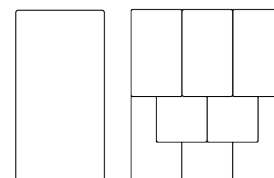

**Saga Feather**

**Saga Drop**

**Saga Traditional**

**Saga Straight**
