Nighttime skin care is still a small category in the prestige market, but look for sales to grow with a surge of new products for 2019 that tackle a host of issues. By LAYLA ILCHI

**1. Skinceuticals Glycolic 10 Renew Overnight**, \$80. Exfoliates, refines texture and accelerates cellular turnover with a blend of 10 percent glycolic acid, 2 percent phytic acid and extracts of sunflower and jojoba.

**2. Murad Night Fix Enzyme Treatment**, \$70. Antiaging peptides and red and green microalgae are said to combat signs of premature aging.

**3. Zelens Z Melatonin Night Repair Serum**, \$220. Melatonin, red seaweed Irish moss and agave claim to restore the skin's protective barrier.

**4. Allies of Skin Mandelic Pigmentation Corrector Night Serum**, \$92. A blend of alpha hydroxy acids and salicylic acid reduce blemishes; rosehip and tamanu oils stimulate collagen production and hydrate.

**5. Caudalie Vinoperfect Brightening Glycolic Night Cream**, \$65. Papaya enzymes, grapeseed oil and olive squalene target dark spots, dullness and roughness.

**6. Philosophy Anti-Wrinkle Miracle Worker Night Line-Correcting Overnight Cream**, \$68. Hyaluronic acid, Indian gential extract and silk tree extract are said to smooth out fine lines and increase the skin's antioxidant defenses during the night.

**7. Aveeno Positively Radiant Maxglow No-Mess Sleep Mask**, \$17.99.

The applicator spatula lets the user easily apply this mask, which is infused with kiwi and soy to retain moisture and brighten the skin.

**8. Glamglow Good in Bed Passionfruit Softening Night Cream**, \$65.

Passionfruit oil and squalene hydrate, while a blend of AHAs, beta hydroxy acids and polyhydroxy acids exfoliate overnight.

**9. Peter Thomas Roth Green Relief Therapeutic Sleep Cream**, \$65.

Cannabis sativa oil, melatonin and colloidal oatmeal soothe irritated skin and reduce the appearance of fine lines.

**10. Algenist Genius Sleeping Collagen**, \$95.

Vegan plant collagen, algae and milk thistle make skin supple and soft in the morning.
