

TOOL WARRANTY STATEMENT

The length of warranty on all Senco Pro-Series & Semi-Pro pneumatic tools is 12 months and begins from the date of purchase by the first end-user of the tool, and is non-transferable between end-users.

On Xtreme-Pro pneumatic tools the warranty is 5 years; on all Gas Nailers & Fusion tools the warranty is 2 years and begins from the date of purchase by the first end-user of the tool, and is non-transferable between end-users.

On Duraspin products the warranty is 5 years on 18v models & 12 months on corded models and begins from the date of purchase by the first end-user of the tool, and is non-transferable between end-users. All batteries & chargers carry a 12-month warranty from date of purchase by the end-user.

During this period Kyocera Senco UK will repair, replace or refund at our discretion the tool or original parts (or parts replaced under this warranty) which are proved to the reasonable satisfaction of Kyocera Senco UK to be damaged or defective due to defects in materials or workmanship. Any replacement part provided will carry a warranty for the un-expired portion of the warranty period applicable to the tool purchased.

Parts not covered by this warranty are piston stops, piston/driver assemblies, rubber o-rings, seals, driver blades (Fusion tools excepted, which carry a 2-year warranty on driver assemblies), screwdriver bits and any other parts subject to normal wear and tear. Cleaning of any product from carbon build-up or any other debris is also not covered under this warranty. Batteries are warranted for 1 year or 1,000 charges whichever comes first. This warranty will not apply if there is evidence of abuse or improper connection of the tool; if there has been a failure to follow recommended operational maintenance; or if the tool has been improperly altered or subjected to misuse or unauthorized repair (read the operator manual for use and maintenance instructions)

When repair or replacement of parts is necessary, the first end user must return the complete tool or part, enclosing a purchase receipt or invoice as proof that the tool or part is within the warranty period, to the dealer from where the tool or part was initially purchased. This proof of purchase must include a serial number where applicable.

Nothing within this warranty affects the statutory rights of consumers in respect of a purchase of this product. This warranty agreement runs in conjunction with our current terms and conditions. If in doubt over any warranty issue, contact Kyocera Senco UK for clarification.
