RACHEL RAY SHOW

baking gadgets

1. Pie Shield One-Piece Adjustable

Item #1507 Carded

Item #1507 - PB Non-carded

Protect crust from burning throughout the entire baking process. One-Piece Pie Shield adjusts to fit regular or rimmed pie dishes from 8" to 11.5" in diameter. This Shield will not stick to crusts and can lock into place if desired. Easy to store and faster/more economical than tin foil.

Silicone

2. Pastry Guide

Item #1510

Cut perfect circles every time. Place the Pastry Guide in the center of the dough, use your knife and rotate around to cut a circle. For parchment paper, use a pencil in the Guide to create the size needed. Create circles from 4" to 14" in diameter. Use for dough, fondant, tortillas and parchment paper.

1. Pastry Wheels Decorator/Cutter Set

Item #1523

The Decorator creates a braided, laurel pattern on the edge of your crust for a beautiful finish. The new Cutter cuts 3/4"-wide, wave lattice pattern.

Silicone/Plastic

2. Pastry Wheel Decorator

Item #1520

Create a gorgeous, twist pattern by rolling Decorator around the edge of your pie crust. Usable with single or double crust. The detachable guide hugs the edge of the pie dish ensuring a flawless crust every time. Remove the guide to create a twist look on flat dough/fondant. Comes apart for cleaning.

Silicone/Plastic

3. Pastry Wheel Cutter

Item #1530

Cut 3/4" wide, scallop lattice pattern. No measuring needed. Innovative, two wheel design creates even strips every time. Roll the Pastry Wheel Cutter across dough, pastry, pasta and fondant. Comes apart for cleaning.

4. Pastry Stamps

Item #1540

Stamp your crusts to create impressive looking finishes quickly and easily. Three unique patterns (loops, hearts, leaves) provide professional, decorative crusts for any occasion. Perfect for pies, pastry, fondant and quiche.

Plastic

5. Pastry Dough Cutter

Item #1535

The Pastry Dough Cutter allows you to decorate your pies in no time. With two interchangeable cutters you can choose from cutting uniform strips or creating a beautiful netting pattern. The strip cutter will cut 5 - 3/4" wide strips to pattern your pie top. The netting cutter will create slits in the pie dough that you can then stretch to cover the full pie with just one pass of the cutter.

1. Proofing Basket & Embosser

Item #1595

8" plastic bowl can be used for prepping, proofing or serving. The bowl holds in warmth for improved proofing and creates artisan floured rings. Unlike other Banneton/ Brotform baskets, this Basket is dishwasher safe to prevent bacteria build-up. The removable Embosser leaves a beautiful embossed design on the top of the bread.

Plastic

2. Butter Keeper

Item #6020

Shaped to fit East & West coast butter, the Butter Keeper uses the "French butter crock" method to create spreadable butter that can stay on the counter without refrigeration. Simply insert, and press in, a soft, full ¼ lb stick of butter right out of the wrapper. Add water to the base to create an air-tight seal for freshness.

Stoneware

3. Bread Embossers

Item #1597

Easy-to-use Embossers create beautiful, artisan-looking designs (sun and wheat) on top of any shaped homemade bread. Simply press the 3.25" embosser into the proofed dough, remove and bake.

Corn-On-The-Cob Butterer

Turn the messy process of buttering corn into good, clean fun. A cute and functional way to butter corn-on-the-cob. Avoid both wasting butter and creating a buttery mess. Store upright in the refrigerator when not in use. Fill with ½ stick of butter; remove cap to glide easily on corn. Press the plunger on bottom when butter is running low.

1. Bacon Bin® Grease Holder

Item# 5300 – Bacon Bin – silicone

Item# 5350 – Bacon Bin XL – silicone

Item# 5355R – Red Metal Bacon Bin
enamel coated steel, silicone

Item# 5355W – White Metal Bacon Bin
enamel coated steel, silicone

Our best-selling Bacon Bin has new designs! Bacon Bin XL holds two cups of bacon grease, doubling what the original Bacon Bin can hold. The Metal Bacon Bin has a stylish design to match any kitchen look and the silicone band provides safe handling. Metal Bacon Bin holds two cups of bacon grease.

Every Bacon Bin will save your household pipes and sewer! Pour bacon fat down the Bacon Bin not down the sink. The removable strainer keeps bacon bits out of the grease in case you want to reuse the grease for cooking. Also, you can use the bacon bits for salad. When you want to discard the grease simply fill up the Bacon Bin, place it in the fridge to congeal the grease and then squeeze or scrape it into the garbage.

1. Splatter Guard

Item #5365

Protect yourself and your stovetop from bacon grease splatter with the new Bacon Splatter Guard. Place the 13" splatter guard over your skillet while cooking bacon or while frying food in grease to contain bacon splatter. The foldable handle gives you control of the splatter guard while cooking and folds easily for storage. The splatter guard is large enough to use with a 13" skillet and can be used with smaller skillets too. When done cooking, you can wash by hand or in the dishwasher.

2. Bacon Mat

Item #5360

Put away your tinfoil and grab the Bacon Mat to easily bake bacon in your oven. The bacon mat is designed to cook your bacon perfectly in the oven and make clean up a breeze. The raised ridges keep the bacon out of the grease while it cooks for crispier and evenly cooked bacon. The mat also has a spout to easily pour the collected grease into one of our Bacon Bin grease containers for easy disposal or storage. The Bacon Mat fits into any standard 13"x17" sheet pan. You can also use the Bacon Mat to cook fish, poultry, and other meats with ease. When you are finished cooking your bacon, you can easily hand wash or put it in the dishwasher to clean.
