

# K9 tabletop lectern

Modern lecterns - now for you

## Modernize your image and enjoy

Sometimes you need to have people sitting at a table and still provide a space for a speech. You have the solution with this great tabletop lectern. Combining modern lines and materials, this lectern reveals the harmony the designers were able to bring in. Elegance and functionality for those who can't live without natural elements close to them.

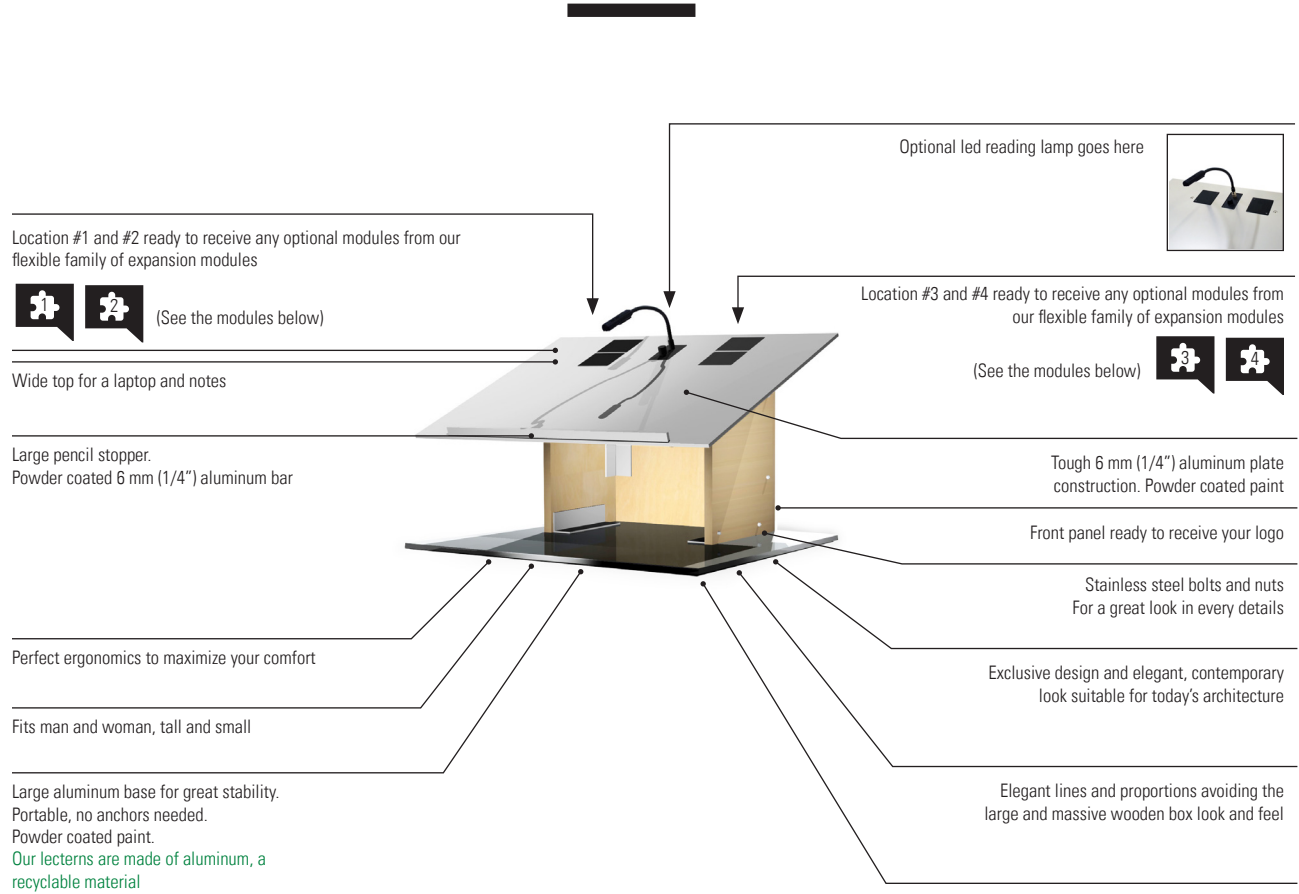

This is a perfect podium for giving conferences, public presentations or speeches. Simple to use, lots of nice options. (Assembly required).

(shown with LED reading light available as an option)
